

"Making freedom seem accessible..."

ALIVE! ARTIST OF THE WEEK OCEAN GHOSTS

DESCRIBE YOUR SOUND.

Soul music with a lyrical message of hope and tolerance.

WHAT INSPIRES YOUR MUSIC?

Budweiser, God's glory, Dale Earnhardt Jr. Energy Chews, Dayquil, animosity, Lexapro, superior physical conditioning, Krogering, white man's burden, and a rural up-bringing.

WHAT IS THE BEST PART OF PLAYING LIVE?

Making freedom seem accessible, acapella encores, and getting the crowd to chant U-S-A.

WHAT DOES "TRUE MUSIC" MEAN TO YOU?

Presenting our message with precise stupidity and ambiguous intentions, and not having to apologize for it.
